NOTES:

- Our child recommendation number guarantees each child will participate in the show.
- We are happy to perform for a larger number with the understanding that not all children will participate in the show.
- Children under the age of five must be accompanied by an adult.
- Bubble Play is strictly OUTDOORS only.
- Bubble Shows can be done indoors if requested.
- For best results for our Bubble Shows set outdoors, we request a shaded area.
- Bubble Play, itself (or when added to a package), does NOT include the trick of putting kids inside a large bubble.
